**United States's Motion for Reduction of Offense
Level for Acceptance of Responsibility**

The United States moves this Court to reduce Loyd Frank Lawing, Jr.'s offense level by one level based on Lawing's acceptance of responsibility. As grounds for this Motion, the United States notes:

1. On or about August 6, 2007—approximately one month and two weeks prior to trial—Lawing pleaded guilty to charges contained in the Indictment in this case.
2. This was sufficiently early to permit the Government to avoid preparing for trial and to allocate its resources efficiently.
3. Therefore, under United States Sentencing Guidelines § 3E1.1(b), the United States makes this formal request for a one-level reduction in Lawing's offense level for acceptance of responsibility so that he may receive a total reduction of three levels for acceptance of responsibility.

Respectfully submitted this the 31st day of January, 2008.
